Notes:

This feasibility drawing has been produced using an ordinance survey drawing. All boundaries and built locations are subject to full measured topographical survey. All service routes and locations are subject to conformation by approved statutory body/subson survey. All proposed design work is subject to full consultation with LA planning and highways.

This original drawing is issued for the purpose indicated and contains confidential information. Further copies and circulation will be strictly in accordance with the confidentiality agreement with Hln Architects.

Safety Health & Environmental (S.H.E.) Notes are for informing competent persons of significant risks or design issues, relevant to their area of work, which may be unusual or not obvious, or which might be difficult to manage.

Contact HLN regarding terms & conditions, copyrights, CDM, etc. Check printed scale, responsibility is not accepted for reproduction of digital media or measuring from this document. Only figured dimensions to be used for construction. Report doubts/discrepancies to project Architect.

Note:

This drawing has been produced by converting PDF copies of the original architect's drawings into DWG format.

No measured building survey has been carried out in the production of HLN Architects drawings.

All dimensions and areas should be checked and verified on site prior to works starting on site.
