Comments
In respect of this application the Highway Authority considers that the impacts of the development are not severe and has no objections to the current proposal subject to the following requested conditions:-
Further information (if any)
<p>Required Informatives:-</p> <ul style="list-style-type: none"> • Planning consent is not consent to work on the highway. To carry out any permanent off-site works associated with the planning consent you need approval from the Highway Authority. Approval will take the form of a Section 278 Agreement and you should contact the Highway Authority to instigate the process. It is strongly recommended that you make contact at the earliest opportunity to allow time for the process to be completed as you will not be permitted to work on the highway before it is complete. The developer is responsible for all costs. Commuted sums could be required for specialist material or infrastructure for ongoing maintenance where the item in question is above and beyond what is required for the safe and satisfactory functioning of the highway. Please contact Highway Development Management 02476 833515 or hdc@coventry.gov.uk; <p>The applicant is also reminded that as the developer or their contractors, they are responsible for contacting the Highway Authority – 02476 832062 to ensure all necessary licenses and permissions are in place. It is an offence under Section 148 and Section 151 of the Highways Act 1980 to deposit mud on the public highway and therefore you should take every effort to prevent this occurring.</p>
Amendments Recommended (if any)
Conditions Recommended (if any)

1. Details of the proposed cycle storage shall be submitted to and approved in writing by the Local Planning Authority. The cycle parking details shall include the siting, design, appearance and type of stands/shelter and should accord with Cycle Parking Standards within **Appendix 5 Coventry Connected Supplementary Planning Document 2019**. Then prior to occupation the approved cycle storage shall be implemented, retained therein after and kept available for this use at all times.

Reason: In the interests of encouraging the use of alternative modes of transport with the aim of creating a more sustainable city in accordance with Policies AC4 of the Coventry Connected Supplementary Planning Document 2019.

2. Prior to occupation of the proposed development hereby approved the car parking areas shall be provided in accordance with details submitted to and approved in writing by the Local Planning Authority and the car parking areas shall not thereafter be used for any other purpose than the parking of vehicles.

Reason: In the interests of highway safety and to ensure the free flow of traffic using the adjoining highway.
