Comments
Further information (if any)
<p>Given that there are residential units on the first floor, I require information as to the proposed operating hours of this storage area. The proposal is for online sales from the unit which will require delivery vehicles to collect from the site. The associated noise with these vehicle movements could lead to disturbance to residents which could only reasonably be controlled by restricting the hours of operation.</p>
Amendments Recommended (if any)
Conditions Recommended (if any)
