- Planning consent is not consent to work on the highway. To carry out any permanent off-site works associated with the planning consent you need approval from the Highway Authority. The developer is responsible for all costs. Commuted sums could be required for specialist material or infrastructure for ongoing maintenance where the item in question is above and beyond what is required for the safe and satisfactory functioning of the highway. Please contact Highway Development Management 02476 833515 or hdc@coventry.gov.uk;

The applicant is also reminded that as the developer or their contractors, they are responsible for contacting the Highway Authority – 02476 832062 to ensure all necessary licenses and permissions are in place.
