Subject: RE: 053_JOBS LANE

Hi Shamim,

Please find attached the updated drawings. We have proposed a new close boarded fence to the top end of the shared access driveway which still allows for the land owners of 46-50 Jobs Lane access to their rear gardens as before. We have shown arrows where the current rear access garden locations are for these properties. We have also moved Plots 1-4 further to the north to increase the separation between the dwellings off Ballingham Close by a further 2m.

I hope that this alleviates any concerns and you are now happy to progress the application. Should you have any queries however then please give me a call.

Kind Regards,

Kristian Lawrence
