Subject: 053_JOBS LANE

Hi Shamim,

As discussed, please find attached the revised plans showing a new stand alone 1.8m high timber gate along the previous access driveway. This will be for use by 46-50 Jobs Lane who will all be given keys to a secure padlock to minimise any security issues along the driveway. We would be happy to keep the access driveway open as currently indicated however I understand that this could become a concern in relation to security hence the inclusion of the gated access.

Should you have any queries then please give me a call. Could you please also confirm that an extension of time is acceptable.

Kind Regards,

Kristian Lawrence
