Hi Shamim

Further to our conversation, the proposed materials will be as follows.

Brickwork - Weinberger smooth face red;
First floor - cream textured render;
Roof Tiles - Redland Renown - brown sand face;
Windows - white upvc

Please find the necessary images below.

Regards, Richard

RENOWN

A neat, low profile tile designed to blend unobtrusively into its surroundings and giving a more contemporary feel to a roof with a square edged profile.

As with all interlocking concrete tiles, Renown is quick and easy to lay but also provides exceptional wind and driving rain performance.
