INFORMATIVES

- You are advised that if your proposal involves works covered by the Party Walls etc Act 1996. You are recommended to seek independent advice. Booklets are available from the Planning Advisory Desk & HMSO. Please be aware that if any part of the development (such as foundations, guttering, windows, ventilation systems or pipes etc.) overhangs or encroaches onto land or buildings outside of your ownership; or involves works and / or access to land or buildings outside of your ownership; you will need the owner's permission before undertaking any development. The granting of planning permission does not override or authorise the breach of any private ownership rights; and any development undertaken without the consent of the landowner and in breach of any private ownership rights could give rise to civil proceedings brought by the owners of those rights.

- **Appeal Rights: -**

If you are aggrieved by the decision of the City Council to grant permission for the proposed development subject to conditions, you can appeal to the Department of Communities and Local Government under Section 78(1) of the Town and Country Planning Act 1990 (as amended). An appeal must be made within **six** months of the date of this notice.

The forms to be used in an appeal can be obtained from the Planning Inspectorate, Chartroom, Hawk Wing, Room 3/23 Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or you can access their website on www.planning-inspectorate.gov.uk

The Secretary of State can allow a longer period for the giving of a Notice of Appeal, but will not normally be prepared to use this power unless there are special circumstances.

The Secretary of State may not consider an appeal if it appears that the local planning authority could not have granted planning permission for the proposed development due to statutory requirements, to the provisions of a development order or to any directions given under an order. The Secretary of State will not refuse to consider appeals solely because the local planning authority based their decision on a direction given by her.

- If permission to develop land is granted subject to conditions, whether by the City Council or an appeal by the Secretary of State, the owner of the land may claim that the land has become incapable of reasonable beneficial use in its existing state and cannot be rendered capable of reasonable beneficial use by the carrying out of any development which has been or may be permitted. In these circumstances, the owner may serve a purchase notice on the City Council requiring the Council to purchase the interest held in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is granted subject to conditions by the Secretary of State on appeal or on a referral of the application to the Secretary of State. The circumstances in which such compensation is payable are set out in Section 114 & 120 and related provisions of the Town and Country Planning Act 1990.
