5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

The main building will be a new cafe (replacing the restaurant that was previously there). We are applying for a new garden 'pergola' structure that will provide additional covered seating for the cafe. The structure will be constructed from timber with a polycarbonate roof and will cover 90% of the existing outdoor space. The structure will be water tight and bracing for the structure will be from the existing walls that surround the outdoor space. We plan to excavate the end of the garden to provide a space for bin storage so to keep the fire exit clear of obstruction.

Has the work or change of use already started?

Yes No

6. Existing Use

Please describe the current use of the site

The site is currently empty however it was previously a restaurant (with outdoor seating I believe). The existing garden space is empty at present.

Is the site currently vacant? Yes No

If Yes, please describe the last use of the site

It was previously a Habibi's restaurant (with outdoor seating I believe).

When did this use end (if known)?
DD/MM/YYYY

23/03/2020

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.
